Dear prospective participant,

I want to take a moment to reach out and welcome you to be part of MANSH International Music Festival/Competition. As the main sponsor of this prestige event, I want to invite you to participate in this festival/competition during January 2025. The aim is to bring the International market to South Africa and give a podium to potential musicians to have workshops, concerts and competitions on International level. Your hard work and dedication do not go unnoticed and I want to extend my gratitude for everything that you do. You are most welcome!
